

Surface Mounted Light SOL

The SOL surface-mounted lights are the ideal solution for directing light with pinpoint accuracy. With multiple beam angle options from a tight 15° spot to a wide 60° wash, these fixtures allow you to highlight architectural details, artwork, signage, or create inviting ambient lighting.

The 6W, 15W, or 24W configurations provide ample illumination, while the black or white finishes blend seamlessly into any decor. Install individually or in patterns for maximum design versatility in retail, hospitality, office, or residential spaces.
