

BoscoLighting's 'ME240' Track Light is designed for spot, task and general lighting in retail and commercial applications. Great for areas with a changing utility or where flexibility is desirable such as retail stores, shopping centres and art galleries as quick changes can be made without rewiring.

Twist and click, the ME240 is designed to be quickly installed in Australian Standard Tracks of 2, 3 or 4 wires (Single or Multiple Circuits). Also Available, Single and Multiple Circuit tracks, joiners and suspension kits.

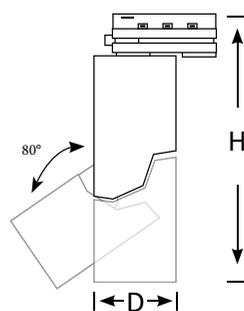

This product can be customised to be surface mounted by request.
